CITY LEAGUE OF AMATEUR NINES.

Central Athletics Have Good Plan Started—Bliven's
Westerly Duckpinners Defeated—Poolplayer Mc-
Crath Wins Again in State Tourney.

To put the amateur baseball situa-
tion on a little more stable and sub-
stantial basis in this city than ever
before, with the object of forming a
four-team league to play a regular
schedule of games, is the plan that is
being worked out at the suggestion of
the Central Athletic club. Michael
Carroll, the club's baseball manager,
and Louis Manchester, one of its most
enthusiastic followers of the sport,
have been doing considerable prelimi-
nary work in this line and finding a
ready response where they have pre-
sented the plan. If a team can be
found to represent the Falls, they feel
that the amateur league can practically
be started.

Three teams which would represent
different parts of the city and thus
contribute in interest by the sections,
rivalry which would be sure to result
are practically assured. Manager
White of the T. A. C's has been seen
and is ready to enter a team to rep-
resent Tataville. In Greenville, Messrs.
Shuman and Bradley have given the C. A. C. men to understand that they
would go in for their part of the city.
Of course the Central Athletic club
team itself would represent the center,
and with a team from the Falls in-
cluded the circuit would be well filled
out, it is considered.

The full plan is not worked out yet
in the minds of the promoters, but the
general idea is to play out a certain
time for the season to last and play
off their schedule—two games a week.
Manager Carroll and Mr. Manchester,
invited by the Bulletin to a place on
the committee with them, have called
an open meeting for next Friday night
at the C. A. C. room to discuss the
amateur league which they propose.
The move is without doubt a good one
and the formation of a league would
certainly result in a most interesting
series of games and some fine sport for
the partisans of the different clubs en-
tered.

CUT DOWN WESTERLY'S LEAD.
Captain Dalton and His New London
Bowlers Beat Bliven's Team.

New London team No. 2, with Bar-
ratt, a new roller, in their quintette,
got after the Westerly team No. 1 on
Thursday evening on the Westerly al-
leys, starting the Westerly team down
the toehogan by winning two games
out of three from them. The result
brings the Westerly team down to only
a small margin in the lead, and puts
the Norwich Warriors within
striking distance of them.

C. A. C. CROSS COUNTRY.
Carroll First in Field of Eight—Four
Were Distanced.

Cross country running, under the su-
pervision of their outdoor captain, Tim
Sullivan, is the sport that is now be-
ing taken up by the Central Athletic
club as a reasonable outdoor event for
this time of the year. The first one be-
ing held this week. A squad of eight
went out for the first run, four finish-
ing and four dropping by the wayside
before the half-way point had been
reached.

The run started from the rooms about
3:30 p. m. and the runners arrived back
about 5:10. The course was down to
Hartford and return, coming back by
way of the Hallville road and over Fox
Hill. The four to finish came in in this
order: Mr. Carroll, F. Swan, T. Ho-

FINANCIAL AND COMMERCIAL.

DULL MARKET.

Price Vibrations Feeble—Serious In-
terruption of Wire Communication.

New York, March 4.—The inaugura-
tion of the new president was received
with passive satisfaction in the finan-
cial district, so far as the operations
in the stock market gave any surface
indication. The chime of the brokers
on the floor upon the announcement of
the swearing in of Mr. Taft were the
most tangible expressions of the pre-
vailing view. The day's intense dull-
ness was attributed, in no small
part, to the serious interruption of wire
communication with all parts of the
country. The telegraphing by cable was
freer than by the land lines, and for-
eign operations in this market, narrow
as was its dimensions, were of consid-
erable effect. The brightening of the
Italian situation prompted some buy-
ing of stocks and helped the opening
show of strength here. There was an-
other little spurt upon the announce-
ment of the new secretary of the navy.
The day's closing in the stock mar-
ket was a disappointing one. The pres-
ident for the rest, price vibrations
were feeble and transactions insignifi-
cant, although the market yielded
weakly at the last. Money rates were
ending downwards again and ready
sale is still reported for new issues of
railroad bonds. Bonds were steady.
Total sales, par value, \$284,000. United
States bonds were unchanged on call.

Nutmeg League Stars Picked Out.

Fans who follow the Connecticut
league this year will need to take a
little time to get accustomed to the
looks of the teams that will represent
the cities, as an unusually large num-
ber of the best known diamond artists
have received promotion to higher
company. Harry Noyes, Pete Wilson,
Tom Skankard, Jack Hess, Jimmy
O'Rourke, Red Walker, Beaumont, Gus
Sofel, Tom Tuckey are the stars who
play on other diamonds, and it will be
some time before the league will ap-
pear familiar with these players mis-
sing.

Springfield Swaps for Barbour.

Springfield has made a deal by
which Louis Barbour becomes the Po-
nether third baseman. Manager Zeller
swapped Yale and McAndrews, first
and third basemen last year, respec-
tively, yesterday, to the Northampton
club, the trade being made through
Dan O'Neil, the former Springfield
manager. Barbour will be remembered
as the Meriden third baseman who
played the greater part of the season
with that club last year and who pre-
viously was with Holyoke. Manager
Zeller has a catcher coming who is
Paul Wachob, the California star, so
highly recommended by Murray Park-
er and a left-handed pitcher is Chester
Doherty, who used to pitch for the
Burlington, Vt. outlaws.

McLean Coaching at Storrs, Conn.

Pitcher Frank McLean of the Spring-
field club has been engaged to look
after the baseball candidates of the
Connecticut Agricultural college at
Storrs. The candidates are now work-
ing in the cage. They will open the
season April 10 in Springfield with the
Training school nine.

Hannifan With Phillies.

Jack Hannifan of Holyoke is now
on his way to North Carolina with
several other players of the Philadel-
phia Nationals. Hannifan's friends in
Holyoke realize that the Phillies have
lost a fine player, but they are con-
fident that Hannifan will prove good enough.

Legalizing Sunday Baseball.

The bill passed the house Tuesday.
Jimmy Bannion has disposed of his
interests in the Scranton club and is
now considering managerial offers
from a couple of other minor clubs.

The Philadelphia National Baseball

squad has reached training quarters
at Pinehurst, N. C., and will remain
through the coming month.

Eugene Keenan, the crack pitcher

of the Monitor club of the Inter-City
league, Providence, has signed a con-
tract with the New Haven team of the
Connecticut league.

Anteviso (2.19 1-4), for which

Robert Steel paid \$35,000, was recently
sold at auction in Kansas for \$75. He
is 28 years old and had proved a dis-
appointment as a sire.

Elmer Strickland says Walters

the star catcher and pitcher, is a
wonder. Walters won 23 out of 37
games last year in the California
league.

Manager W. W. Hanna announced

yesterday that he had secured Tommy
Leahy, the star catcher and popular
roller polo referee, to strengthen the
New Britain team for the coming
season.

Secretary Sullivan of the A. A. U.

has notified the New Haven promoters
that any amateurs competing in the
events in connection with the Mar-
athon at New Haven Saturday night
will be declared professionals. Do-
rando is to run in the Marathon.

Ted Sloan, the American jockey

who has been barred from riding on
all English tracks by the English
jockey club, may be reinstated at an
early date; that is, he will be granted
the license which he already has made
application for.

The report that A. B. Cox, Paoli,

Pa., had leased the great California
sire Zambro (2.11), is said to be er-
roneous. The owner of the stallion,
George T. Becker, has located the
horse at Edgewood stock farm, New-
ton Square Pa. Mr. Cox has book-
ed 15 mares to Zambro.

Benjamin Pope's noted brood mare

Miss Pratt (2.17 1-4), dam of the
champion three year old trotting filly
The Leading Lady (2.07), recently
foaled a fine colt by Tregant (3.09
1-4), and will be shipped to Ardmore
farm to be bred to Ringo (2.06 1-4),
the sire of The Leading Lady.

Care of The Refrigerator.

Too great care can scarcely be used in
keeping the refrigerator perfectly clean.
All crumbs should be removed and if liquids
are spilled they should be wiped up at once. In
summer especially frequent and thorough
cleanings are required. Empty the water pan
and remove all food, covering it from the
dust. Remove shelves scrub them with a
brush in hot suds made by dissolving a table-
spoonful of Gold Dust washing powder in
warm water. Dry with a cloth or in the sun-
shine if possible. Scrub all parts of the food
chamber, even the inside of the door with the
hot suds; rinse in clear water, wipe dry and
leave open to air. Scrub ice chamber thor-
oughly; scrub all parts of the freezer. It is nec-
essary to clean food chamber more frequently
than ice compartment.
